Well structured course, I wouldn't change anything about it. The Professor was extremely nice and helpful and made the subject tolerable.

Great class!
always interesting & exciting.

Mr. Deke is one of the good teachers here who cares.

4 - books went well with lecture
23 - he was a fun teacher and nice

Deke truly cares about what he teaches his students. I learn so much through his teaching methods and it never gets boring.

I really did not understand the reasoning for blackboard posts. But other than that Deke is the BEST!

Hands down the best professor here at Le Moyne

Deke is a great professor. He is always willing to help and is very fair with his expectations.

Deke treats his students with utmost respect in the classroom and allows an equal opportunity for all. He is very enthusiastic and interested in philosophy. A great asset to Le Moyne's philosophy program.

really great teacher. really helpful with breaking down such thick material.

4. some reading hard to understand/comprehend
23. sometime he would use vocab & language that was hard to understand.

Great teacher overall!

23. 2nd classes taken with Deke, really enjoy the class & learning methods
would wish that for homework post you give us until Wed to post & friday to respond

was very disrespected when it came to an issue and would not respect what I had to say and was
not impartial when it came to a similar issue with another student.

He takes a while to get grades back to you but other than that it was good.

He sort of seemed like he was in a bad mood most of the time, I don't know if it was personal or
class related.

(4) Some of the assigned readings were difficult

(23) Nothing personal against Deke but Im just not that interested in philosophy

All of the readings were used in class

The reading was course related, and course was very good, willing to help everyone
had a very enjoyable class
