**6. What would you like to say about the instructor's effectiveness as a teacher?**

I would say that Dr. Deke was most effective by explaining everything very well and patient with everyone.

Extremely engaged about subject and was excited about all subject matters.

Good sense of humor, kept students from having so much tension during class discussions.

Very good instructor--engages students well. Very passionate.

Dr. Gould's style of teaching helps make it easy to comprehend the topics at hand and understand the possible replies to them.

His was very real with ideas, thoughts.

I learned a lot about patience and good communication

open to opinions, eager for participation
