**14. What would you most like to say about your experiences as a student in this course?**

This course was harder than I expected, but I enjoyed the challenge.

It was a fun and interesting class

It was a great course & Dr. Deke is a great professor

Overall it was a great class. I just wish I had realized the amount of effort it took before it was too late.

This class is grate coarse and has change my outlook on Reasoning and Life.

**15. What piece of advice would you like to give the instructor on how to teach the course in the future?**

[blank]

Require students turn in questions at the end of class for homework

He did pretty well, no need for advice

Too keep doing what he is doing. Change nothing except maybe more tutoring for this course (if he is able to do that).

More problem where student are forced to do in front. Gave different perspective.

**16. Do you have any other comments?**
