17 - If you would like to make additional comments about the course or instruction, please provide the feedback. For example, you might elaborate on the particular aspects you liked most as well as those you liked least. Or, you might offer suggestions on how can the course or the way it was taught be improved? Please know that the instructor will review the comments as written, so only use identifying information if you wish to be known or contacted.

**Deke Gould**

**Response Rate** 1/26 (3.85%)

• I really liked the weekly journals each week to write a little bit more on a focused topic that stood out more to me than others. I also liked sharing critical thoughts through discussion threads, but sometimes the discussion threads would kind of get under my skin because some students would try to critic as if they are master professors in the 100 level course but other than that I enjoyed the course overall.
